Jason and Bert are my two friends. Jason is an Australian boy. He comes from Sydney, Australia. He is a good student. And he always spends his s【1】 time on study. At home he doesn't allow others to bother (打扰) him when he studies. If his sister is watching TV, he always makes her s【2】 it off. Of course, at school Jason is always p【3】 by his teachers because of his good marks.

Like me, Bert is English. Like me, Bert likes music. And he likes music that has great l【4】. When he's free, he spends p【5】 of time on music. Because of this, we s【6】 together like glue. Wherever Bert goes, you can always find me.

Which one do you p【7】 , Jason or Bert? As for me, I like Bert better.

3. 任务型阅读

Music touches our hearts and shortens(缩短) the distance between people of different countries. The super star Jay Chou has cooperated with the American NBA star Kobe Bryant to create a song named The Heaven and Earth Challenge. That's a song written by Jay Chou whose favorite sport is basketball. It expresses the love for basketball. And it encourages young people to be more confident. Jay Chou has learned much from Kobe's sports spirit. In the song, Jay Chou does most of the singing part while Kobe plays a part of a rapper(说唱者). People can download the ring tone(铃声) of the song from the Internet. All the money from the downloads will go to Project Hope, which aims to improve educational environment in poor areas in China.
