As we all know, the Internet has become part of teenagers' life. A new report on 3,375 students aged _____ 10 to 18 in seven Chinese cities found that 38 percent of them used the Internet very often. Most of them get _____ information and use the Internet to help their studies, but some are not using it _____ a right way. Many are _____ online games too much. _____ even visit websites they should not browse(浏览). A teacher from a middle school says that bad things can happen _____ young people spend too much time on the Internet. She had a student who used to be good at school. _____ later he started visiting unhealthy websites. He lost his conscience(良知), did something illegally(违法地) and was taken away by the police. In order to help young people use the Internet in a good way, a textbook on good Internet behavior(行为) has started to be used in some middle schools this term. The book gives real examples to teach students about good ways of _____ the Internet. Teachers and parents all think the book is great. We believe _____ will keep students away from bad websites, and teach students _____ to do the right things in the online world.
