3. 补全对话

根据对话内容，在空白处填入恰当的关系代词(that, who, which)补全对话，如果关系代词可以省略用括号表示。

A: I don't have many friends in this city.

B: Haven't you met any people here?

A: Of course. But the people 【1】 I've met here don't share my interests. I like reading and going for quiet walks. However, the people 【2】 work with me seem to like parties, watching TV, playing sports and going to restaurants. Their interests 【3】 they have are so different from mine.

B: Your interests don't involve (涉及) other people. It's hard to do things with other people when your hobbies can be done alone. You should find some interests 【4】 you can do with other people, like tennis or dancing.
