Once a king got two nice falcons (猎鹰) \_\_\_\_\_ his son. He loved them so much and he ordered the best falconer to train(训练) them to fly. \_\_\_\_\_ two months, the king came to see \_\_\_\_\_ the training was going on. He found that one falcon could fly high in the sky, while \_\_\_\_\_ was staying on the branch (树枝) of a tree quietly.

The king called all his falcons together and said they had to try every way to make the other falcon fly.

But none of them succeeded(成功). One day, while the king was taking a walk in the forest, he had a good \_\_\_\_\_. Maybe someone who knew the natural environment(环境) well could solve(解决) this problem. He ordered a \_\_\_\_\_ who lived in the forest into his palace to try it at once.

The next morning, the king saw the other falcon flying above in the sky \_\_\_\_\_. "It is unbelievable!" \_\_\_\_\_ the king. The farmer said, "It's very easy. I just \_\_\_\_\_ the branch where the falcon rested."

It is always \_\_\_\_\_ to human beings(人类). We all have "two flying wings" in our hearts too, but we often seem not to notice(注意到) them and stay in comfortable and safe places. We won't realize(意识到) we can fly so high freely until we have no branches to rest on.
