

桐乡市2022年八年级英语下学期期中考试带答案与解析

1. 完型填空

In 2014, when I was well again after a serious illness, a friend invited me to a writer's meeting in Orlando, Florida. My family thought that a _____ might be just what the doctor suggested, so I went off. I was tired when I arrived in the Sunshine State. I caught a taxi to my hotel. The next morning, I took _____ taxi to the shopping centre to buy something, later after shopping I went to a lovely restaurant _____ lunch, _____ there were no more tables. Then I heard a friendly voice, "You can _____ my table." I thankfully sat down with the _____ lady. We had a happy lunch together. At the end of the _____ she asked me how I would plan the holiday in Orlando. I _____ her that I didn't have a car. I would take taxis to go out though it was a bit _____. Hearing that she said, "My dear, don't use any more taxis. I'm retired (退休) and free. I am glad to _____ you to any place you wish." I told her that I couldn't put her into that _____, but she didn't agree. She asked me where I was _____ and the next morning, she came to my hotel and took me to Disney World. She stayed with me for some time and then _____ me alone. At the end of the day, she returned to take me back to my hotel. I gave her money but she didn't take any. _____ the help of her, I enjoyed my trip there. I'll never forget _____ she did for me. She made my short holiday in Florida such a wonderful memory.
