James likes sports, so he's tall and strong in his middle school. Now his father and mother work in London. So he begins to study in a middle school there. He's a member of the school basketball team. He likes the game very much and plays it on Saturday and Sunday.

His grandma is from a village and one day she came to see him. It's Saturday and she didn't see the boy at home. So she went to look for him in the school. She saw ten boys were playing only one ball. The old woman asked Tom to go home with her.

"But, Grandma, I..."

"Don't play with them, my dear!" said the old woman. "I'm going to buy a ball for you!"
