Many of us love animals. In fact, a trip to the zoo may be among your best memories. So it is not hard to understand (25) \_\_\_\_\_ the reality show Wonderful Friends has become so popular.

The show, which started airing on Jan 24 on Hunan TV and ended on March 28, (26) \_\_\_\_\_ (feature) interactions between animals and six celebrities, (27) \_\_\_\_\_ (include) singer Li Yuchun, and Hong Kong singer Myolie Wu (胡杏儿). In the show, they work (28) \_\_\_\_\_ animal keepers in Chimelong Safari Park in Guangzhou.

In an episode which (29) \_\_\_\_\_ (describe) as “nonsense” by an expert specializing in chimpanzees, celebrities took two small chimpanzees out and competed to buy the best clothes for them. Coco, one of the two chimps suddenly became restless and bit Myolie Wu. Wu was so concerned about Coco (30) \_\_\_\_\_ she gave up the competition in order to comfort her. (31) \_\_\_\_\_ lasted a long time.

It seemed to be a touching scene, but according to an animal protection expert Hu Huijiang, chimps should not be out around people in crowded spaces in the first place. It makes them frightened and they are more likely (32) \_\_\_\_\_ (infect) if people are carrying viruses. Furthermore, such shows are misleading about the needs and welfare of animals. So, getting to know these animals is the first step to find proper ways to protect them.

Admit it or not, many of us see that higher education equals a diploma, which in turns provides us with opportunities for a better life. But is that all college means?

“As tuition costs have skyrocketed, it makes sense (33) \_\_\_\_\_ people might try to get some of the benefits of college without paying,” commented the Atlantic. The full tuition at Yale for the 2014-2015 school year is \$63,250. This breaks down to over \$7,000 per month, while Dumas, a 28-year-old Canadian, spent only a few hundred dollars at Yale in 2009, couch-surfing (作沙发客) for about a month and (34) \_\_\_\_\_ (take) classes.

However, Ollivier Dyens, deputy provost (院长) of student life and learning at McGill University, points out that most people go to college mainly to get a diploma. One of the benefits of a college diploma is that (35) \_\_\_\_\_ can help you earn more money. In 2012, young adults with a high school degree earned an average of \$30,000, (36) \_\_\_\_\_ those with a college degree earned an average of \$46,900 in the US.

According to Dumas, the best advantage of college is networking. “The kind of people I met in Berkeley or in Yale, I don’t know anywhere else in the world where so many smart, cool, open-minded, crazy people (37) \_\_\_\_\_ be concentrated,” he said.

Furthermore, a college is (38) \_\_\_\_\_ you discover what learning is about. “This will be the period when you go from teacher-taught to master-inspired, after which you must become a self-learner. The learning skills you acquire will be something you will cherish forever”, (39) \_\_\_\_\_ (write) to his daughter
