TALENT ON PARADE

It is time for the Smithdale Student Activity Club's yearly talent show. In the past, the club has had performers sing, dance, and play the violin, guitar, or piano. This year the show will be called "Talent on Parade", and we are looking for performers with great new ideas. In addition, we have planned two important changes for this year's show.

Two Shows Instead Of One

First, "Talent on Parade" will be held on two nights. Performers in the Wednesday night show will include students in Grades K-5. Performers in the Friday night show will include students in Grades 6-12.

Smithdale High School Hall Wednesday, May 11, 6:30 P.M. Friday, May 13, 7:30 P.M.

No Tryouts (预选)

The second change is that this year's performers will be chosen in a new way. No tryouts will be held. The first twenty acts to sign up for each show will be accepted. Others will be put on a waiting list in case someone has an act that is not allowed. You'll be told by telephone or e-mail if your act is included.

If you do not wish to perform but would enjoy helping backstage with lights or sound, print "stagehand" in large letters at the top of the permission slip (同意书).

Rules For Acts

1. Each student chosen to perform must turn in a permission slip signed by a parent or guardian(监护人).
2. All performers must be at the school one hour before the show time.
3. Performers must provide their own transportation to and from the school.
4. Each act is limited to three minutes.
5. No act may have more than five people in it.
6. Performers must provide their own music (tapes, CDs, or instruments) and costumes.
7. Singers may sing with or without musical accompaniment, but they may not sing along with a recorded voice on a CD or tape.

【2】Each person performing in the talent show is required to turn in a ____.

- A. telephone number B. musical recording

A Spanish company Siesta &Go has opened the first public napping (小睡) space in Madrid. It promises people a quiet rest in the middle of the city's business center.

Napping spaces are nothing new; places to rest are already set up in other big cities in the world. But the idea would appear to work well with the culture of Spain, where people traditionally take an afternoon nap, called siesta.

The Madrid nap space recently opened with 19 beds. People can use them by the minute or by the hour, and they can also choose either a private or shared room. An hour of napping inside a private room costs about \$ 15.

Siesta &GO provides all bedding, clean nightshirts and other materials. Nappers can request to be woken up when their time is up. It also offers areas to work, with armchairs, newspapers and coffee for those not wishing to sleep.

Philip &Go is one happy customer. Marco says he gets tired during the day because of hard work. He says a siesta is the perfect way to build up energy. "I come for about 30 minutes or something like that. That is usually enough for me to be full of energy."
