

## 2022江西高二下学期人教版高中英语期末考试

1.

During the cold winter days, there are some interesting festivals in the world. Look at the following ones.

Harbin Ice and Snow Festival

Place: China

Time: January 5 to February 5

People build incredible things out of ice and snow, decorating them with lights.

The Carnival of Venice

Place: Italy

Time: between February and March

One of the most beautiful festivals in the world, people wear masks and elaborate costumes to hide differences among classes, and there are contests for the best costumes.

Holi Festival

Place: India

Time: late February/March, on the last full moon day.

Hindus and Sikhs, in India, Nepal, and Sri Lanka celebrate the main day of this incredibly fun 16-day festival by throwing colored powder and water at each other.

Sundance Film Festival

Place: Utah, the US

Time: end of February

The largest independent film festival in the US. Watch both feature films and shorts. You need to buy a ticket.
