Think about how much time you spent outside last week. Really "outside." 【1】 (walk) from the car into the classroom doesn't count. Now think about how much time you spent indoors—playing video games on the Internet or watching TV. Kids spend two fewer hours per week 【2】 sports and outdoor 【3】 (activity) in the early 2010s than the kids did in the early 1990s. Some kids are staying inside because it's difficult to find a place to go. All kinds of areas are off-limits to tweens and teens. Even when space is available, personal 【4】 (safe) is an issue.

4. 完形填空

"If you could have any three things, what would you _____?"

Eleven-year-old Ruby Chitsey loves asking that question. Even more _____, she then sets out to realize someone's _____.

Ruby has long been close to older people. Her mother, Amanda Chitsey, is a nurse at a nursing home in Harrison. Ruby often _____ her at work after school. "So I feel free to go up to them and ask _____ they need anything," she says.

Last May, Ruby noticed a resident (居住者) named Pearl staring out of a window. She seemed _____. "What are you looking at?" Ruby asked. Pearl, her eyes filling with tears, said she was watching her _____ being led away by his new owner. Pearl didn't know when she would see him again.

Ruby learnt that Pearl didn't have enough to pay anyone to _____ her pet at the nursing home. Ruby and Amanda also asked around and _____ that many nursing home residents are unable to _____ even the smallest luxuries (奢侈品). So Ruby _____ to do something about it.

She started by asking residents what three things they wanted most in the world. Amanda _____ that they would ask for cars, houses and other things an 11-year-old wouldn't be able to provide. _____, they asked for chocolate bars, McDonald's fries, and even just pants that fit properly.

"It broke me as a human," Amanda says. "We left the nursing home that day and went straight _____ a store and bought as many items as we could."

Using their own money, the Chitseys granted the wishes of about 100 people in three months. Then they started asking for _____.

People of Harrison responded _____ so much, so that Amanda set up a GoFundMe page, Three Wishes for Ruby's Residents, hoping to collect \$5,000.

They _____ their goal in a month. After GoFundMe named Ruby a Kid Hero and _____ her story internationally this past January, Three Wishes raised \$20,000 in 24 hours and more than \$250,000 in five months.

Earlier this year, Three Wishes for Ruby's Residents launched its first nationwide branch. One of its new _____ is to set up a communal laptop (平台) in each state.

Ruby doesn't plan to stop there. "I consider _____ to be my hobby," she says, "and I'm very good at it."
