1.

A lot of people like movies and films. They can add thrill and imaginations to our lives. Find the latest movie reviews here.

Mulan

The fearless and spirited eldest daughter of an honored warrior, Mulan is the apple of her father's eye. To save her aging father from serving in the Imperial Army, clever Mulan disguises (乔装) herself as a man soldier named "Ping" to bravely take her father's place in the Imperial Army to battle northern invaders in China.

Critics Consensus (共识): It could have told its classic story with greater depth, but the live-action Mulan is a visual improvement.

Family Romance

Love is a business at Family Romance: a company that offers the rental service. Founder Yuichi Ishii helps fulfill the dreams of his clients. Mahiro's mother will hire Ishii to play as her missing father. And reality will begin to be unclear.

Critics Consensus: It is a fascinating exploration of human connection and follows an unconventional path.

Greenland

A family fights for survival as a planet-killing comet (彗星) races to Earth. John Garrity (Gerard Butler), his wife Allison, and young son Nathan make a dangerous journey to their only hope for refuge (避难). Among terrifying news, the Garritys experience the best and worst in humanity while they battle the increasing panic and lawlessness surrounding them.

Critics Consensus: Beware, comets of Greenland: Gerard Butler, is here to protect Earth -- and show audiences an improbably entertaining time.

Black Box

Having lost his wife and his memory in a tragic car accident, news photographer Nolan Wright is desperate. After losing his wife and memory, Nolan Wright, a single father undergoes an experimental treatment that causes him to question who he really is.

Critics Consensus: An interesting work of writer-director Emmanuel Osei-Kuffour, Black Box makes up for a lack of surprises with strong performances and an emotionally rewarding story.

2.

When I teach yoga (瑜伽), I usually announce "Phones off and at the back of the room" at the beginning of class. Recently, I forgot and had to whisper to a student texting during class to turn off her phone. She looked displeased but did so. But two days later, in another class, I was met with resistance from a young woman who completely refused.

"But I'm on call. I might have to jump up and run out of class."
