The winners' guide to success

Do you know what makes people successful? To find out the answers, an American scholar recently visited some of the most successful people around the world. 1.

Be responsible for yourself

Sometimes you may want to blame(责备) others for your failure to get ahead. In fact, when you say someone or something outside of yourself is stopping you from making success, you're giving away your own power. 2

Write a plan

It is very difficult to try to get what you want without a good plan. It is just like trying to drive through strange roads to a city far away. 3? Without this map, you may waste your time, money and also your energy; while with the map you'll enjoy the trip and get what you want in the shortest possible time.

Be willing to pay the price

4 So you must be ready to work hard----even harder than you have ever done. If you are not willing to pay the price, you won't get anything valuable.
