It is not about winning.

Friendships aren't like the Super Bowl, and there should never be a winner and a loser. When you start fighting with a friend, it may feel important that you "win" the fight by proving you're right and he is wrong, or by making him be the first to apologize.

In reality, you'll both lose if you let your fight ruin your friendship, and you'll both win if you find a way to heal it.
