

河北省定州市第二中学2021-2022学年高二上学期考试试题及答案之十五

1.

In autumn of 1935, when I was a young man, I was traveling in the north of Indian. One evening, after hunting in the forest all day, I was returning to the place which I had put up my tent. It was getting dark, but I was walking along a road. Suddenly I saw two eyes glaring at me from among the trees. What can I do? Should I jump into the river to save my life? Then I looked at the right. In the river there had a big crocodile waiting to welcome me with its mouth was wide opening.

2.

Cats are animals of habit. They like to go to sleep about same time every day and for a certain length of time. They seem to have natural clock inside them that tells them when sleeping. Besides their regular sleep, cats take naps(打盹). Some scientists think that people should also take cat nap. The habit would do good for people's health. Cat naps helped build up energy in the body. Since cats have moods(情绪) like these of people, scientists believe that people can improve their moods with cat-napping. People might become more happier and more active.

3.

A man shot two students died and wounded five other at an Australian university in Monday, after he was overpowered by classmates of the victims(受害者). The two dead were both male of Asian appearance in his early 20s. The others have being treated for minor(未成年的)injuries. The man, in his mid-30s and of Asian appearance, was seized several students in classroom at Monash University, Melbourne and was late arrested.

4.

When I first learned to write in English, I ran into much difficulties. The main problem was that I always thought in Chinese and tried to translate anything into English. My teacher advised me to keep my diary. I followed her advice and should put down 100 words or so each day.

Soon I began to enjoy talk to myself as I was learning to express me in simple English. One day I wrote a story and showed to my teacher. He liked them very much and reads it to the class. All said that the story was a good one. Their word were a great encouragement to me.

5.

Ali is from a Middle Eastern country. He now stays in the USA. He smokes a lot of cigarettes every day. He has smoked for nine years. Ali says, "I tried to quit(放弃) smoking in my hometown, but it was impossible. My parents smoke. My brothers smoke. All my friends smoke. At parties and at meetings, almost all the men smoke. Here in the United States, not as many people smoke. ____1____"
