## 河北省武邑中学2021-2022学年高二下学期暑假作业考试试题 Word版含答案之二 十三

1.

Dear Customers,	CO,
I love slipping into a comfortable chair for a long read, as I relax into the chair. I author's words, stories, and ideas. The physical book is so elegant that it disappear background, and what remains is the author's world.	
Today, we at Amazon are excited to announce Kindle, a wireless, portable reading access to more than 90,000 books, magazines, and newspapers.	device with instant
We've been working on Kindle for more than three years. Our top design objective disappear in your hands —to get out of the way —so you can enjoy your reading. beyond the physical book. Kindle is wireless, so whether you're lying in bed or rid think of a book, and have it in less than 60 seconds. No computer is needed you directly from the device.	We also wanted to go ing a train, you can do your reading
We chose the same wireless technology used in advanced mobile phones. But unlil there are no monthly wireless bills, no service or data plans, and no yearly contract to install(安装,设置). We want you to get lost in your reading and not in the tech	s. There is no software nology.
Kindle uses a new kind of display called electronic paper. Sharp and natural with no on Kindle is nothing like reading from a computer screen. Kindle weighs only 10.3	
paperback —but can carry two hundred books.  Enjoy learning about Kindle and many thanks!  1. This passage most probably is a (n)
