Mum said they thight not be back until after eleven My brother Greg and I to play hide -and- seek (挺迷臧). But there was not much except in the front
room. Thewas that we were not allowed in there by ourselves, we just took the risk.
Once there, both of us were cautious and moved about for some while. Then, when I hid behind a tapestry(壁毯), by my brother, I jumped out. With a
sense of, I felt my right elbow (美財) striking (撞击) something hard. We heard a crash. Even we dared to look, we knew that the vase lay broken.
When Mum and Dad came home and viewed the pieces, we knew any would only serve to fuel their anger. Mum ordered us to sit on the bare floor, beside the
viin. She cried, "How the two of you have done this?" Greg and I, too to cry, could voice no answer. After a while, she us and stayed there
alone by herself, much like a statue.
Greg and I throughout that night, struggling to decide what we might do to for it. We hoped with the money we had saved we might just have to
buy a vase. The next day, we set off to search every local shop until we found a good copy.
When we home in silence, we Mum and Dad with what we'd bought. Dad out, took it from Greg and then passed it to Mum. She sighed, "You
broke our Ming vase." But we believed they knew we were
