

高二下期阶段测试英语网上检测无纸试卷带答案和解析（2021-2022年吉林省长春市第一中学）

1. 阅读理解

Below are the future optional majors for you to take into consideration before entering college.

Architecture

Degree: Bachelor of Arts

Architecture is the design of the built environment: buildings and their surroundings. As a profession, it is an art, science, and business with careers(职业)available in schools of architecture, and in architectural research. Department of Architecture Design 101 Alumni Hall Phone: 513-529-7210

Accountancy

Degree: Bachelor of Science

Accountancy is the language of business. Accountants prepare profit and loss statements, cost studies, and tax reports. They can work for any size firms, ranging from a large international firm to a small local accounting practice, and government. Farmer School of Business Student Services Office Phone: 513-529-1712

Journalism

Degree: Bachelor of Arts

Journalism includes the fields of Media & Culture, and Interactive Media Studies. In addition to fundamental reporting, writing, and editing skills, journalism combines the art of communication with the science of digital technology. Graduates may become magazine editors, reporters, or copywriters.

Department of Media, Journalism & Film 206 Williams Hall Phone: 513-529-5893

Anthropology

Degree: Bachelor of Arts

Anthropology is the study of humans. Individuals and societies are complex and dynamic, which means anthropology covers a lot of ground. The study of people can lead to almost any career path, including education, health care, social work, international development, government and human relations.

Department of Anthropology 120 Upham Hall Phone: 513-529-8399
