The Winner's Guide to Success

How do successful people think? What helps them to make success? To find out the answers, an American scholar recently visited some of the most successful people in America. 46

Be responsible for yourself

Sometimes you may want to blame others for your failure to get ahead. 47. You're saying, "You have more control over my life than I do. " .

Live life "on purpose"

Almost all successful people live life "on purpose" - they are doing what they believe they should and want to do. When you live your life on purpose, you'll try your best to do your job or study as well as you can. You love what you do and you can find pleasure in what you do.

Write a plan . . .

It is very difficult trying to get what you want without a good plan. 48 A good plan is like a map to you. Without this "map", you may waste your time, money and also your energy; while with the "map" you'll enjoy the "trip" and get what you want in the shortest possible time.
