

1.

Our site specializes in European cycling tours, Bike & Boat Tours, Road Bike Tours and now River Cruises throughout Europe, Asia, and the Americas.

We take great pride in offering you the best services and in providing you with a vacation that will be fondly remembered. Whether it is a European bike tour, river cruise, or one of many other cycling vacations, our staff will do everything to plan your dream holiday.

Our bike tour prices are the lowest on the market and we've managed to keep them that way without sacrificing quality. We hope you'll let us take you on one of our many European cycling tours and now river cruise adventures!

Bike & Boat Trips

We have perhaps the largest online catalogue of well-established European bike and boat tours and sailing holidays.

Luxury Boat Tours

Take a Bike & Boat cycle tour on a luxury ship! A cycling tour in Europe with a beautiful boat by your side is not to be missed.

Bike Europe and Beyond

Bicycle touring in Europe and beyond -- cycle your next vacation almost anywhere in Europe from our carefully chosen catalogue of bike tours. Recently we have also added a few American bike tours as well as bike tours in Vietnam. Whether you cycle Europe with a standard bicycle or an e-bike (electrically assisted bicycle), one of our cycling tours is bound to be right for you.

Road Bike Tours

Cycle Europe and experience one of our great new European road bike tours! These cycle tours in Europe (and now one is in the New Zealand) are intended for the more experienced cyclist that is not afraid of the long distances through extremely beautiful countryside.

River Cruises

We now offer river cruises throughout the world's most famous waterways. Whether it is a European river or a river cruise in China, one of our cruises is certain to attract you.
