I was almost sixteen years old when I first began to work for the media (媒体). It was 1992 26 I first went inside the Hungarian (匈牙利的) state television building. I remember it 27. I felt so small while everything was so 28 and I felt that everything was out of my reach. I was amazed to be inside this building where everything happened, and where people's clothing was always nice. I felt that it was a place where the people knew 29.
