Dear Mom and Dad ,

I'm afraid I have some very bad news for you . I have been very naughty and the school master is very angry with me . She is going to write to you . You must come and take me away from here . She does not want me in the school any longer . The trouble started last night when I was smoking a cigarette in bed . As I was smoking , I heard footsteps coming towards the room . I did not want a teacher to catch me smoking , so I threw the cigarette away .

Unfortunately , the cigarette fell into the waste--paper basket . It caught fire .

There was a curtain near the waste --paper basket . It caught fire too . Soon the whole room was burning . The master phoned the fire brigade . The school is a long way from the town and before the fire brigade arrived , the whole school was on fire . The master said that the fire was all my fault and I must pay for the damage . She will send you a bill for about a million dollars .

I'm very sorry for this .

Much love

Sarah

Now I'd like to talk to you about your final exam. The exam will be held next Thursday, the last day of the exam week. Remember to bring two or three pens in case you run out of ink. And unlike the midterm exam, this test will not include multiple-choice questions; it will consist (由...组成) entirely of essays(文章). You'll have to answer three of the five essay questions. The exam will be comprehensive(理解性的), which means you'll be responsible (负责) for all of the subject matters we covered in class this term. I would suggest you review your midterm exam as well as textbooks and your class notes. The research project will count as 20 percent and the midterm exam 30 percent.
