

1.

You Can't Spell America Without Me: The Really Tremendous Inside Story of My Fantastic First Year as President Donald J. Trump,

The President's book, to be co-written with novelist and political journalist Kurt Andersen, will be published on Nov. 7, 2017, Penguin Press announced Wednesday. The publisher promises this book will cover Trump's "very private meetings with world leader and his war with the so-called dishonest news media, and above all, his historic, world-changing decisions — many of them secret until now.

UNSHAKEABLE: Your Financial Freedom Playbook

First of all, I have spent a lot of money on his books and courses. Second, the book is giving very good advice on money-making. The author mentioned that the most important thing is fulfillment and gratitude. In my opinion this is true because many wealthy people are not happier and sometimes they are feeling worse than they were when they don't have money. Sometimes you are happier than him. All in all, this book enjoys a good reputation, ranking this week's the second most popular book on USATODAY.

STAR WARS: Thrawn

Thrawn, which is a role in STAR WARS, has come back again. On movie screens, Darth Vader has always been the go-to bad man in the movie for *Star Wars* fans, though in the 1990s a new generation fell in love with Grand Admiral Thrawn from the pages of Timothy Zahn's *Star Wars* novels. And just as a new movie is rolling out in theaters, Thrawn is again having a moment — he's now a top destroyer of peace on Disney's *Star Wars* and he returns to the literary(文学的) world in Zahn's *Star Wars: Thrawn*.
