I love the weekend, because I _____ go to school. (用适当的词填空)

11. 完形填空

I was a fat kid and I enjoyed almost all kinds of delicious food. Sundays were the best. That's when we had our big _____, and there were so many people around laughing and talking. It was easy to _____ how much you were eating. And if I _____ a second part of anything, my mother's response was, "What's the matter? You don't like my _____?" At that time, consuming lots of bread, pasta and desserts never let me feel self-indulgent (放纵自己的). I _____ carried this high-calorie diet into adulthood.

It wasn't until my mid-30s that I _____ something had to change. I had little energy, and because my fat body didn't want to do anything, it seemed _____ was passing me by.
