It's school time again! You're probably feeling excited and maybe a little sad that summer is over. Some kids feel nervous or a little scared (害怕的) on the first day of school because of all the new things: new teachers, new friends, and even a new school. Luckily, these new worries only stay for a little while. Let's find out more about going to a new school.

Most teachers kick off the new school year by introducing themselves and talking about all the things you'll be doing that year. Some teachers give students a chance to tell something about themselves to the rest of the class, too. When teachers do the talking on the first day, they often go over classroom rules and school rules so you'll know what's allowed and what's not. Please pay close attention.

Seeing old friends can make the first day an exciting one. You can make the day special by wearing clothes that you really like. Maybe you got a great T-shirt on one of your vacations, or a pair of shoes.
