

1. 完形填空

When Athaya Slaetalid first moved from Thailand to the Faroe Islands, where winter lasts six months, she would sit next to the heater all day:

"People told me to go _____ because the sun was shining but I just said: 'No! Leave me alone, I'm very _____.'"

Moving here six years ago was tough for Athaya _____, she admits. She _____ her husband Jan when he was working with a Faroese friend who had started a business in _____.

Jan knew _____ that bringing his wife to this very different _____, weather and landscape would be challenging.

"I had my _____, because everything she was leaving _____ everything she was coming to were opposites," he admits. "But knowing Athaya, I knew she would _____."

There are now more than 300 women from Thailand and Philippines living in the Faroes. It doesn't _____ like a lot, but in a population of just 50,000 people, they now _____ the largest ethnic minority in these 18 islands, located between Norway and Iceland.

In recent years the Faroes have experienced population _____, with young people leaving, often in search of education, and not returning. Women have _____ more likely to settle abroad. As a result, according to Prime Minister Axel Johannesen, the Faroes have a "gender deficit" with _____ 4,000 fewer women than men.

This, _____, has lead Faroese men to look _____ the islands for romance. Many, though not all, of the _____ women met their husbands online, some through commercial _____ websites. Others have made connections through social media networks or existing Asian-Faroese _____.
