根据短文内容,从短文后的选项中选出能填入空白的最佳选项,选项中有两项为多余选项.

I have a friend who lives by a three-word philosophy: Seize the moment. 1 Too many people put off something that brings them joy just because they haven't thought about it, don't have it on their schedule, didn't know it was coming or are too strict to depart from their. Routine.

I can't count the times I called my sister and said, “ 2 ” She would gasp and stammer(结结巴巴地说), “ I can't. I have clothes on the line. My hair is dirty. I wish I had known yesterday. I had a late breakfast. It looks like rain.” And my personal favorite response: “It's just Monday.” She died a few years ago. We never did have lunch together. From then on, I've tried to be a little more flexible.

3 The days get shorter, and the list of promise made to ourselves gets longer. One morning, we are awoken, and all having to show for our lives is repetition of “I'm going to”, “ I plan on ”and “ someday, when things are settled down a bit.”

When anyone calls my “ seize the moment ” friend, she is open to adventure and available for trips.
