#### Signup for a Free Parent/Teacher Membership

Signing up is FREE and gives you full access to the complete features of the website—nutrition education games, tools and family activities. We promise we will never sell or share your information to anyone.

Step 1: Fill out this form and submit.

Step 2: You will get an activation email. Click on the link in that email to activate your account.

Step 3: Log in and create as many free children memberships as you would like. Children will have their own username and password to log in to the kids' Ad-free section.

Our free membership offers:

- ◆ Online games, challenges, and puzzles that teach nutrition concepts to children.
- ◆ Interactive nutrition tools designed for parents with a matching version designed especially for kids.
- ◆ Access to both the English and Spanish versions to the entire website which include all of our healthy family nutrition tools and games.
- ◆ Suggestions, tips and fun activities to stress the importance of healthy eating and daily activity.
- ◆ Certificates of completion for your child to proudly show.
