

备考2022年高考英语二轮复习：完形填空（记叙文1）

完形填空

1. 完形填空

阅读下面短文，从短文后各题所给的四个选项（A、B、C和D）中，选出可以填入空白处的最佳选项。

Celina Raddatz quit her job at a nursing home in 2014 to take care of her mother full-time who, 83, suffers from Alzheimer's.

Raddatz, 57, and one of her sisters, Rosalia Lizarraga, 61, had been 1 their mother together. But as the Alzheimer's 2, the task became too stressful for Lizarraga. The full 3 fell on Raddatz, who was determined to perform a promise she and her siblings(兄弟姐妹) had made to their 4 as children.

"When my mother was 5, she made us promise never to put her in a nursing home." Raddatz says. "But we never thought she would get 6 like this."

Raddatz was born in Mexico. Her mother, a widow(遗孀), 7 two children as a food seller after they moved to America. "My mom was a very 8 woman," Raddatz says. When Raddatz was growing up, her mother quit her 9 so she could stay home and keep an eye on her children. "She would take us to school and bring us home. She wouldn't let us walk 10 to school."

Raddatz and her siblings first began to notice their mother 11 in 2005 after she had a bad fall while 12 as a housekeeper. In 2006, Raddatz's mother was diagnosed with Alzheimer's disease.

"It's just 13 work. I need to care for her around the clock." But anyhow, she 14 her job at the nursing home and 15 her mother in with her. They also share a bedroom, 16 Raddatz can assist her mother when she wakes up throughout the 17.

"It's a 18 responsibility because of the promise we made her when she was younger," Raddatz says. It used to 19 Raddatz to see families leave their relatives with this disease in a nursing home. Now she has a personal 20 for the emotional(情感上的) and physical sacrifices that caring for an elderly loved one takes.
