

## 专题05 Unit 5 六年级上册英语首字母填空提升训练

### 1. 短文填空

Tim w【1】 in a shop. He usually comes home at seven every e【2】. But he came home early last Friday, and he was very a【3】. He closed the door very hard. Then he sat in the living room. His wife asked, "What happened?" "The bus t【4】 cost three-yuan last week, but it costs two-yuan now," Tom said. His wife said, "Isn't that a good thing?" "Yes, it is. But I always walk to the shop in the m【5】 and walk home in the afternoon. Last week I saved s【6】 yuan every day, but now I can only save four yuan."

### 2. 短文填空

Most people make their living with their h【1】. But Dick makes his living with his feet. Dick's story begins in a very small c【2】 in England. His parents are very p【3】. Seven people live in their small house. Dick has no place to play balls in the street. Dick's father o【4】 plays football. Little Dick wants to play football, too. After a few years he can play football very w【5】. Now Dick is one of the b【6】 football players in the world.

### 3. 短文填空

Today is the Open Day of Tom and Mary's school. They are the guides (向导) of the school and they should lead the way for the v【1】. The school is very beautiful today. There are seven floors in the school b【2】. There are many people coming to the school. But they don't know the way. They have to ask the guides.

A man asks Mary, "Excuse me, where's the art room, please?" Mary answers gently, "It's on the second floor, on the right." The woman says, "Excuse me, w【3】 are the toilets, please?" Tom says, "They're on the g【4】 floor, on the left."

Tom and Mary are very friendly and h【5】. They try their best (尽他们最大的努力) to show the way. Of course, all the people are very h【6】 today. They like the school very much.

### 4. 短文填空

Look at our school. There are two buildings in it. One is new, and the other is old.

The new building is our library. It is very b【1】. There are many books in it. We often borrow books from the library and sometimes we r【2】 there.

The old building is the teaching building. There are forty rooms in it. Most of them are c【3】. There is a computer room, a music room, and an art room, a science lab and a language lab. We learn to use computers in the computer room. We s【4】 and dance in the music room. We p【5】 in the art room. We sometimes have science classes and do experiments in the science lab.

We are very happy in the school. We e【6】 our school life.

### 5. 短文填空

"Four, t【1】, two, one. Ready or not, here I come!" Jenny and her friends are p【2】 hide-and-seek. Andy found Jenny hiding in the broom closet (杂物室), so it is Jenny's turn to be It. To be It means you need to find the o【3】.

Jenny walks into the living room. It is very q【4】. She looks under the d【5】 and behind the bookshelf. No one is hiding there. She tries the bathroom next.

Jenny looks in the bathroom, but no one is hiding there. Just as she is leaving the bathroom, she sees
